Submit completed Commercial Permit Application to [CCWSPlanReview@cobbcounty.org](mailto:CCWSPlanReview@cobbcounty.org) or 770-419-6335 (fax) so that CCWS may determine if plan approval and water and sewer fees are required for the project. CCWS may request additional information in order to make a final determination. CCWS will mark the requirements and return the application. Allow five business days for CCWS to process. If required, plans must be approved and fees must be paid prior to submitting plans for structural plan review.
